

Milpitas Supports Dave Cortese FOR COUNTY SUPERVISOR

Dear Milpitas Neighbor,

We represent many of the neighborhoods and organizations that care about the quality of life for Milpitas residents. Like you, we care about the future of Milpitas and we hope you will join us in voting for Dave Cortese for County Supervisor.

Dave Cortese was drawn to public service to make a positive difference in his community, improve local schools, and protect the quality of life for his family and his neighbors. Dave started by getting involved with his neighborhood association and later ran for city council to improve the neighborhoods in his community. As San Jose's Vice Mayor, Dave works closely with residents and neighborhoods—just like we have in Milpitas—to make a positive difference for people and their families. Dave is also a small businessman, community volunteer, and a former school board president.

As a regional leader, Dave Cortese will continue working side-by-side with Milpitas educators, parents, and community leaders to ensure that no significant residential growth occurs until a comprehensive plan is put in place to ease classroom overcrowding in Milpitas schools, reduce traffic congestion, and protect open space. **Dave Cortese is a neighborhood and community leader and we trust him to represent Milpitas' needs well on the Board of Supervisors.**

As our County Supervisor, Dave's priorities will include:

- Creating good jobs, strengthening our local economy, and reducing traffic congestion.
- Improving local schools and educational excellence.
- Enhancing 911 police, fire, and paramedic services and reducing gang violence.
- Expanding access to affordable healthcare.
- Creating programs to keep seniors and youth healthy and active.
- Protecting open space and improving parks and trails.

As a result of his hard work, **Dave Cortese is the only candidate supported by all five Milpitas City Council Members—Mayor Joe Esteves, Vice Mayor Bob Livengood, and Council Members Debbie Giordano, Armando Gomez, and Althea Polanski.** Dave is also supported by Milpitas Firefighters, Sheriff Laurie Smith, and hundreds of other community leaders and organizations.

Be on the lookout for Dave in your neighborhood—he's been walking throughout Milpitas for months meeting residents and getting to know us and our issues. For more information about Dave's plan, please visit his website at www.davecortese.com

Sincerely,

Marsha Grilli
Trustee,
Milpitas School District

Syed Mohsin
