

Sunnyvale Supports Dave Cortese FOR COUNTY SUPERVISOR

Dear Sunnyvale Neighbor,

We represent many of the neighborhoods and organizations that care about the quality of life for Sunnyvale residents. Like you, we care about the future of Sunnyvale and we hope you will join us in voting for Dave Cortese for County Supervisor.

Dave Cortese was drawn to public service to make a positive difference in his community, improve local schools, and protect the quality of life for his family and his neighbors. Dave started by getting involved with his neighborhood association and later ran for city council to improve the neighborhoods in his community. As San Jose's Vice Mayor, Dave works closely with residents and neighborhoods—just like we have in Sunnyvale—to make a positive difference for people and their families. Dave is also a small businessman, community volunteer, and a former school board president.

As San Jose's Vice Mayor, Dave Cortese works side-by-side with neighborhood and community leaders to improve our regional quality of life, strengthen our local Silicon Valley economy, improve local schools, reduce traffic congestion along Highway 101 and 280, reduce crime, and protect our environment and open space. **Dave Cortese is a neighborhood and community leader and we trust him to represent Sunnyvale's needs well on the Board of Supervisors.**

As our County Supervisor, Dave's priorities will include:

- Strengthening our local economy, creating good jobs, and expanding the "Clean & Green" technology sectors.
- Ensuring that local schools are safe and educating students with the knowledge to succeed.
- Reducing traffic congestion, preventing commuter cut-through traffic on neighborhood streets, and making pedestrian safety a priority.
- Improving the condition of our residential streets, sidewalks, and street trees—many of which are in poor condition today.
- Eliminating waste in government by not spending your tax dollars on useless programs and bad ideas. Instead Dave will concentrate on important needs like new signal lights and improved expressway intersections.
- Ensuring that every neighborhood has equal access to public safety officers and quick 911 response times.
- Linking parks and trails with safe connections and protecting open space.

As a result of his hard work, Dave Cortese is supported by Santa Clara County Firefighters, Sunnyvale Mayor Tony Spitaleri and Council Members Dave Whittum and Melinda Hamilton, Sheriff Laurie Smith, and hundreds of other community leaders and organizations.

Be on the lookout for Dave in your neighborhood—he's been walking throughout Sunnyvale for months meeting residents and getting to know us and our issues. For more information about Dave's plan, please visit his website at www.davecortese.com.

Sincerely,

Michael Rose
Neighborhood Leader

Patrick Meyering
Commissioner,
Sunnyvale Housing
Commission

Michael Sorci
Sunnyvale Resident &
Business Owner

Mark and Laura Robichek
Members, Lakewood Village
Neighborhood Association
